Library mentoring sessions: getting familiar with online resources and devices

**Overview**

The Library & Information Services Unit invites you to contact your local campus library for a mentoring session in one or more of the skill or knowledge areas below:

**Skill/knowledge areas:**
- Utilising your library staff to locate print and online resources for your face to face or online module/course
- Introduction to online resources for your module/course (eg, e-books, e-journals, e-videos, online databases, websites, podcasts, RSS feeds, etc) via a customised subject guide
- Keeping informed: setting up alerts to online journal articles
- Connecting a personal device to the II-TAFE WIFI network
- DEC Insight (previously Staff DET Portal): Navigating your way to tools and services (includes resetting student passwords)
- Copyright: what you need to know & where to find it
- Get to know your smart device (iPad & iPhone) (Wollongong and Goulburn)
- Using Facebook as a teaching tool (Wollongong only)
- Using Vision software to manage classroom computers (Wollongong only)

**Location**

At most Campus Libraries, or at a place convenient to you (subject to available library staff)

**Date(s) and Time(s)**

Sessions can be conducted 1:1 or 1:small group. Please contact your local Campus Library to arrange a suitable date and time.

**Cost**

Nil

**Event Organiser**

Campus Librarians, Illawarra Institute Library & Information Services
