Welcome!

Welcome back to all those students continuing their studies from last year. To all the new students starting at TAFE in 2020, welcome also. We hope you take the time to come to the Library and have a look around. The library has a range of facilities and resources that can really help you complete your course work successfully, and enjoy your time at TAFE.

Library Tours

Teaching staff—remember to book your class in for a Library Orientation session. Library staff offer orientation sessions to class groups to introduce students to the services and facilities that can be found in the library. These sessions only take 30 minutes.

TAFEcard

Your TAFEcard is also your Library card. You will need it to borrow, book a computer and to pay for printing and photocopying. Once your enrolment is complete you can go to the Customer Service Centre to have your photo taken and get your TAFEcard. Use your card at any TAFE Library. Just don’t lose it as it costs $20 to replace!

Uncover something new at your TAFE Library! Are you a Library Lover? Come into the Library and discover new resources, or take your chances on a 'blind date' with a book. Enter in our competition for the chance to win an ITSA voucher. There’s lots to love about Libraries. Ask your friendly Librarians about our LibGuides and other services.

Did you know that the earliest Library in the world dates from the 7th century BC? Located in Iraq it contains over 30,000 tablets on history and law which appeared to have been arranged systematically. In France there is a Library of Smells. Founded in 1990, the Osmothèque is a repository for perfumes and contains over 3,200 scents, some 400 of which are no longer made. There is a Magicians Library in New York. This library has books on magic and hypnosis, ventriloquism, juggling and sleight of hand. The library currently holds over 12,000 books on magic. There’s always something new to discover at your Library! ♥ ♥ ♥
