INFORMATION SKILLS

LIBRARY TOUR
An orientation that introduces students to the Library’s resources, services and facilities, including online resources.

RESEARCH SKILLS
Students learn research skills such as understanding their assignment, finding and evaluating information and compiling a bibliography.

REFERENCING (eRESOURCES)
Students learn how to create a bibliography and in-text citations (if required) using the Harvard style.

ONLINE DATABASES
Students are introduced to eResources relevant to their assessments such as journal & newspaper articles, standards & codes, eVideos & eBooks.

Wollongong Library Information Skills program – F2F or online

SMART SEARCHING
Students learn effective Internet search strategies and how to evaluate the information they find.

STUDENT PORTAL & EMAIL
Students are introduced to their TAFE Student Portal & Email account. For hands on practice, students must have a TAFE username and password.

DIGITAL LITERACY
Customised sessions covering one or more skills eg. Fake news, LinkedIn Learning, How to stay safe Online, Office 365, MS Word & MS Powerpoint.

CAREERS & JOB SEARCHING
Introduces students to career and job searching resources.
